SUBJECT: LASERS Video Now Included in Classified Job Postings

State Civil Service is pleased to announce that we have partnered with the Louisiana State Employees' Retirement System (LASERS) to provide current and potential state employees with information about LASERS retirement benefits.

"LASERS: Your Retirement System" is a video training which provides an overview of the system, details about the LASERS defined benefit plan, and how to expand retirement knowledge. This video can now be found imbedded in the Benefits tab of classified job postings in LA Careers as shown below.

Retirement – State of Louisiana employees are eligible to participate in various retirement systems (based on the type of appointment and agency for which an employee works). These retirement systems provide retirement allowances and other benefits for state officers and employees and their beneficiaries.

State retirement systems may include (but are not limited to): Louisiana State Employees' Retirement System (www.lasersonline.org), Teacher's Retirement System of Louisiana (www.trsl.org), Louisiana School Employees' Retirement System (www.lasers.net), among others.

LASERS has provided this [video](#) to give you more detailed information about their system.

State Civil Service encourages all state agencies to share this important video with all employees.

Should you have any questions, please contact your Staffing consultant or Joan Haase, Staffing Division Administrator, at 225.219.7867 or joan.haase@la.gov.
